Message from Coach Lunt

Dear Coach,

We would be honored to have your team be a part of our first team camp this summer. The goal of our camp is to allow your team the opportunity to play against the best competition around at an affordable cost. Each day of team camp, our staff will provide fundamental instructional clinics for players and coaches alike. The clinics will allow your athletes to grow together as well as develop individually. We are confident that each and every team involved with our camp will see a tremendous amount of growth by the time they leave.

We would like for you and your team to become a part of our great camp during the summer of 2008 and for years to come!

We look forward to hearing from you.

Sincerely,
Justin Lunt
